Lee Capeling holds aloft the bat that almost brought Prestwood a remarkable victory

**GUNN & MOORE
OUTSTANDING
PERFORMANCE OF
THE MONTH**

This month we've got a batting performance that beggars belief.

**WINNER FOR AUGUST:
LEE CAPELING**

Our fourth monthly winner comes from Prestwood in Buckinghamshire. Lee Capeling secured August's honour with a truly remarkable performance in a nail-biting match against Ley Hill.

Chasing 249 to win, Prestwood made the worst possible start, losing both openers for single figure scores. Coming in at number three, Lee was soon into his stride, smashing boundaries to all parts of Prestwood's ground.

Unfortunately, no one was able to give Lee anything remotely resembling long-term support, but as the wickets continued to fall, he continued his big-hitting style, edging Prestwood to the brink of victory against all the odds and bringing up his century in double-quick time.

Lee's valiant efforts were ultimately in vain, as Prestwood couldn't scramble the final two runs they needed off the final ball and our hero, unbeaten on 182, ended up on the losing side. Almost unbelievably, the next highest score in the Prestwood ranks was eight and we can only imagine the apologies Lee received from his team-mates. Lee contributed 74 per cent of his team's total.

None of us can recall an individual performance that was so far superior to his team-mates. For this incredible feat while those around him were crumbling, Lee picks up our GM Performance of the Month. Top stuff.

Email your feats of derring-do to comps@alloutcricket.com typing 'GM comp' in the subject line, with your story and a photo in the email. Remember, it's not so much the stats as the story. If you got knocked out, only to rise from your hospital bed to hit the winning runs with your walking stick, you're the cricketer for us! Understood? Good. Now go and be extraordinary!
